INDEX TO VOLUME 6

A

Aborigines, Australian
Bronchiectasis (Abstract), 153
Goldenhar's syndrome (Kirke, D. K.), 213
Humoral and cellular immune responses to streptococci influenza and other antigens (Jose, D. G., Welsh, J. S. and Doherty, R. L.), 192
Mortality of young children in Western Australia (Edmonds, R., Roberts, R. W. and Schlafrig, G.), 76
Racial hypolactasia. Etiological studies (Abstract), 153

Abrahams, Prudence and Burkitt, B. F. E.: Hiatus hernia and gastro-oesophageal reflux in children and adolescents with cerebral palsy, 41

Adams, B. *See* Yu, J. S. *and others*

Albutt, E. C. *See* Theodoridis, C. G. *and others*

Antigens: Humoral and cellular immune responses to streptococci, influenza and other antigens in Australian aboriginal school children (Jose, D. G., Welsh, J. S. and Doherty, R. L.), 192

Apnoea, neonatal, recurrent; acid base status of CSF (Abstract), 163

Asthma:
Changes with age in bronchial lability (Abstract), 162
The effect of disodium cromoglycate (Hobday, J. D.), 14
The place of disodium cromoglycate in treatment (Abstract), 155

Australian Paediatric Association, Fifteenth Annual Meeting:
Abstracts of papers, 151
Proceedings, 150

B

Baikie, A. G. *See* Garson, O. Margaret *and others*

Barnes, G. L., Gwynne, J. F. and Watt, J. M.: Myocardial fibrosis in cystic fibrosis of the pancreas, 81

Bartholomew, R. J. *See* Hinterberger, H.

Battered child syndrome: *See* Child abuse.

Betamethasone, Topical: cushingoid changes from percutaneous absorption (Abstract), 158

Biopsy:
Intestinal; as a diagnostic and research aid (Abstract), 152
Renal; under neuroleptanalgesia (Abstract), 158
Small bowel; a study by small bowel biopsy of the familial incidence of coeliac disease (Abstract), 152

Birrell, R. G.: Circumcision (Invited comment), 66

Blackhall, Margaret: The place of disodium cromoglycate (Intal) in the treatment of childhood asthma (Abstract), 155
—Changes with age in bronchial lability in asthmatic subjects (Abstract), 162

Blake, G.: Complicated haemangiomas (Abstract), 156

Bone Disorders:
Recurrent hyperostosis of the clavicles; an undiagnosed syndrome. (Keipert, J. A. and Campbell, P. E.), 97
Strontium kinetic studies in children with bone disorders (Abstract), 162

Bone Marrow Hypoplasia: Constitutional, congenital and familial types. (Abstract), 157

Bourgeois, J. M. *See* Hoeffel, J. C.

Bronchiectasis: In Australian aboriginal children (Abstract), 153

Bronchography: Studies of Tantalum powder bronchography in experimental animals (Abstract), 162

Burkitt, B. F. E. *See* Abraham, Prudence *and others*
